Exceed expectations

Enhance your advisory role with the Paychex Partner Program

Paychex helps accounting professionals expand their consultative role and develop a successful practice by offering solutions and services that simplify the complexities of their clients' business. By enrolling in the Paychex Partner Program — at no cost or obligation — you gain access to solutions that enable you to demonstrate additional value to clients by presenting them with opportunities to use and save on trusted HR, Payroll, and employee benefits, as well as enhance your consultative role.

With your referral, your clients receive:

- One month of free payroll, HR and retirement services
- Six-month, money-back satisfaction guarantee on payroll and retirement services*

The compliance challenge

Your clients want to grow their businesses, but expanding right alongside them are compliance and regulatory demands that can distract them from their goals.

With the Paychex Partner Program, you can offer high value consultative solutions while your clients benefit from Paychex handling the administrative and compliance tasks related to current employee regulations.
