About the conference

For tax practitioners, there's no better place to get immersed in current events than the AICPA® & CIMA® National Tax Conference. You'll have direct exposure to partner and managing partner-level decision-makers, thought leaders and tax and accounting professionals when buying decisions are being made.

Over 900 attendees are eager to exchange ideas, talk with solution providers, explore the latest products and learn new processes. We invite you to keep your revenue channel active while elevating your organization's visibility among this key audience.
