Preferred partner solution of CPA.com

PAYCHEX

Paychex Partner Pro

Your Partner for the Bigger Picture

CPA.com and Paychex
Partner Program

Paychex Partner Pro
gives you instant access to all your mutual clients' payroll and HR data in one simple dashboard - saving you time and keeping you connected anytime, anywhere.

This intuitively designed tool can help you elevate your advisory role by providing value-added insights, at no cost to your business.

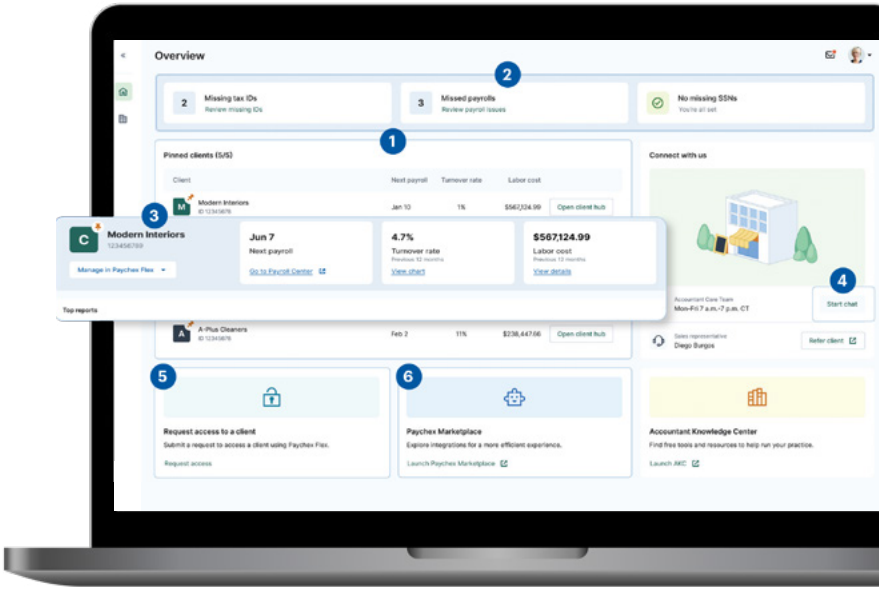

"The ability to access all Paychex client data through a single dashboard has been a time-saver for our firm. The data insights help us deliver greater client value."

Todd Zgoda, MBA, CPA
Zgoda & Associates CPAs

Quickly and proactively advise clients using the tool's enhanced features:

1. Easily search and pin top clients
2. Instantly spot gaps in your clients' information so you or client can resolve
3. Live client data reports with customizable insights
4. Responsive live chat support
5. Submit requests for client information and referrals through the dashboard
6. Robust integrations marketplace link for client API connections
