

CPA.com and Bill.com
Accountant Partner Program

CPA.com/Bill | 855.855.5CPA

Automate
every step of
client bill
management.

Increase your efficiency, increase your value.

Automate the time consuming, manual work of managing your clients' accounts payable and receivable processes with Bill.com — the accounting profession's premier cloud-based bill pay solution. With Bill.com you can easily offer a high-value service for more clients, making their lives easier while increasing margins for your firm.

Elevate your role as a trusted business advisor with Bill.com. Provide clients with timely, accurate

updates and guidance, year-round, on their financial status while giving them real-time access to their data.

Join over 3,500 accounting firms, including over half of the top 100, using Bill.com and taking advantage of the support and resources of the Accountant Partner Program.

Bill.com benefits:

Accounts payable

Automates client bill approval and payment, reducing time spent by at least 50%.

Empowers firms to deliver a service client's value, increasing satisfaction and loyalty.

Ensures secure approval and payment of bills to reduce fraud risks.

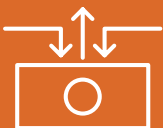

Syncs with accounting software to reduce errors and effort.

Streamlines business payments process with global and domestic payments in one place.

Accounts receivable

Automates invoicing and collection to accelerate the receivables process to help clients get paid 2–3 times faster.

Accepts payments through ACH, credit card, or PayPal to simplify payment collection.

Offers auto-reminders to receive payments faster and eliminate late fees.

Partnering to grow your practice

The value of Bill.com extends well beyond the technology itself. With the Accountant Partner Program developed by CPA.com and Bill.com, you have a dedicated partner to ensure successful use of Bill.com and the foundation for a growing client accounting practice.

Benefits include:

- Dedicated training and implementation teams
- Access to the Accountant Console, an all-in-one portal to efficiently manage client bill pay
- Sales and marketing tools for firms, including wholesale pricing
- Expert account managers to coach you on growing your client accounting service

"Bill.com, more than any other single factor, allowed our business to scale. The system enables us to manage 2-4 times more volume with half the headcount — and from anywhere in the world. It saves dramatically more money than it costs."

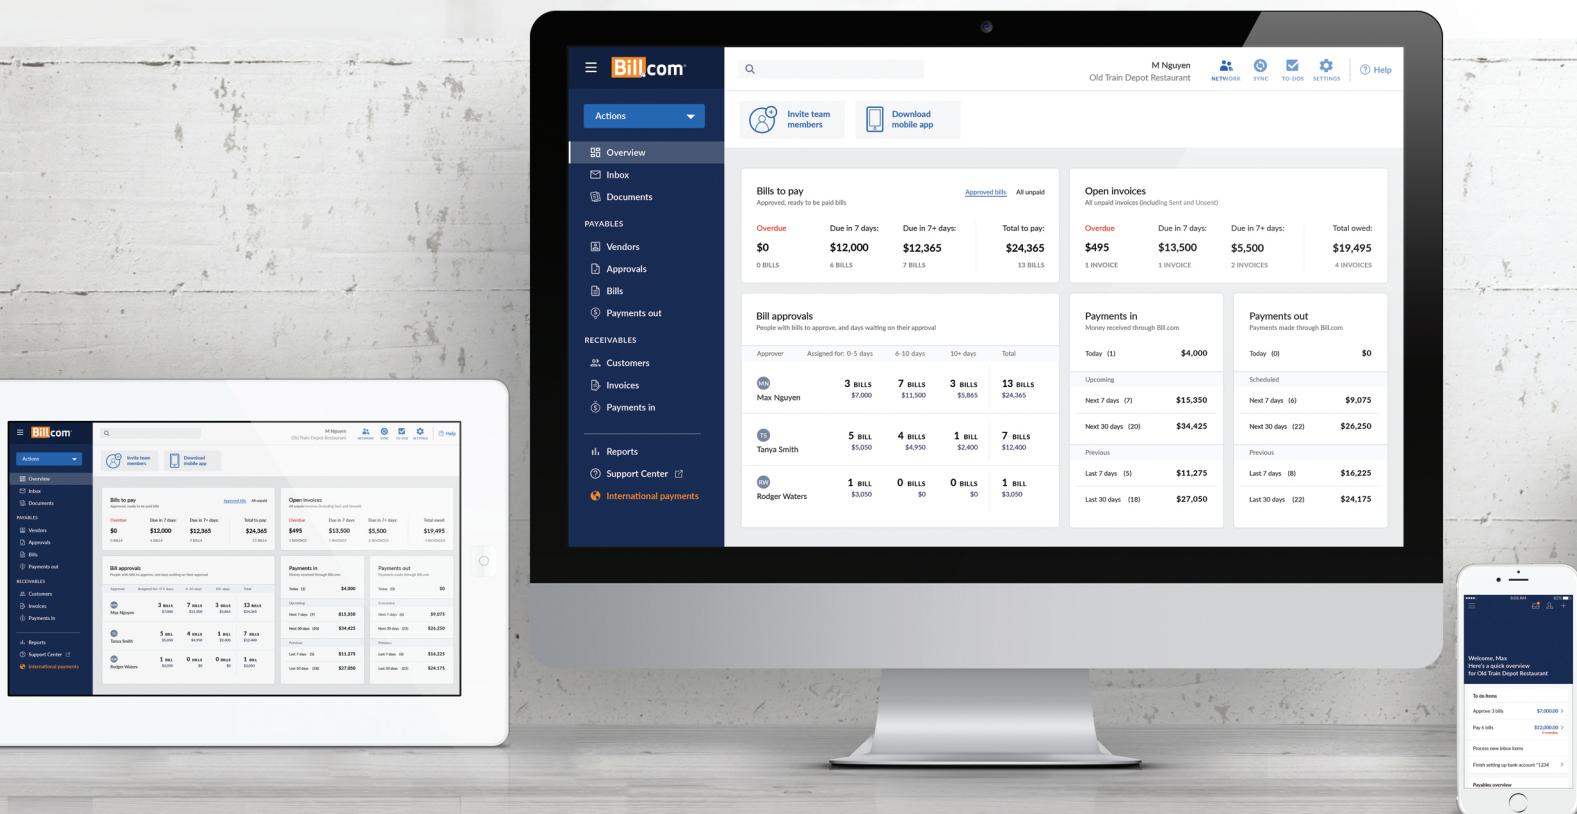

Chris Fenster

Propeller Industries

"Bill.com allows us to be the full-service, cloud-based accounting partner that our clients can't live without."

Christine Triantos

Anton Collins Mitchell LLP

A close-up, slightly angled shot of a woman with brown hair pulled back, wearing large, reddish-brown framed glasses and a bright orange long-sleeved shirt. She is smiling warmly at the camera, showing her teeth. Her right arm is resting on her knee, which is clad in blue jeans. The background is a soft-focus indoor setting.
