

[Join us](#) on August 23, 2018 to hear about trends in retirement strategies throughout the years and the new wave of solutions available to firms today. Discover how your firm can reach your retirement goals and learn more about the history of the 401(k) and what the future may hold.

We will examine:

- Major demographic, regulatory and product inflection points
- The shift from Defined Benefit plans to Defined Contribution plans
- The next generation of default solutions

**Austin S. Rosenthal**  
Vice President, Dimensional Fund  
Advisors

**Frans Tortora,**  
Senior Manager, Paychex Retirement  
Services

The History and the Future of the 401(k)

**Thursday, August 23, 2018,**  
2:00pm - 3:00pm
